

FLIGHT – OUR NEW OUTDOOR TASTING VENUE

Join us in our Founder's favorite grape vineyard for outdoor wine and food featuring flights of wine and cheese & charcuterie boards, May – October, weather permitting.

When you join Johnson Estate's Wine Club, we recognize you as a loyal and interested customer. We appreciate that you have chosen to serve our wines at your table and we strive to continue to deserve this privilege.

Club membership provides you with regular shipments of wine – of YOUR CHOICE & QUANTITY – plus access to exclusive wine offers, previews of new vintages, and invitations to participate in winery events.

Cheers!
